Guess who?

“Game”

1. Divide the class in groups of two (Pupils A and B).
2. Pupil A chooses one of the persons below without telling Pupil B who he has picked.
3. Pupil B asks yes/no questions about the physical appearance of the person pupil A has chosen. For example: Is it a man? Is it a woman? Is she wearing a hat? Does she have blue eyes?
4. Pupil B crosses the persons who can't be chosen by pupil A out until he/she guessed the correct person.
5. Switch roles.
